LIMITED WARRANTY All products manufactured by Unique Welding & Fabricating Ltd., are warranted to be free of defects in material and workmanship for 12 months from date of shipment. Unique liability shall be limited to repair or replacement of defective material within warranty periods when returned, freight prepaid to its plant or to a service depot designated by Unique. Returns for credit are subject to a maximum restocking charge of 50%. No unauthorized returns will be accepted without a Return Goods Authorization (RGA) #. The warranty does not cover damage caused by accident, abuse or faulty installation. Unique products must be installed and maintained in compliance with the manual of instructions furnished with each reel. Equipment having variations from catalogue listed items or any equipment built to customers special needs or to customer's exact specifications and measurements is not subject to cancellation and is not returnable for credit under any circumstance. We reserve the right to make revisions in dimensions, design and construction when necessary to improve the performance of the reels, equipment and material or accessories we supply.
